

PREPARE FOR YOUR BUILD SHIFT

SIGN YOUR WAIVER

We provide a waiver to fill and sign before the build. You can complete it onsite, but you will need to arrive early!

CHECK WEATHER

Pay attention to the forecast and plan to bring heat or cold protection -- sunscreen, hats, and sleeves are recommended!

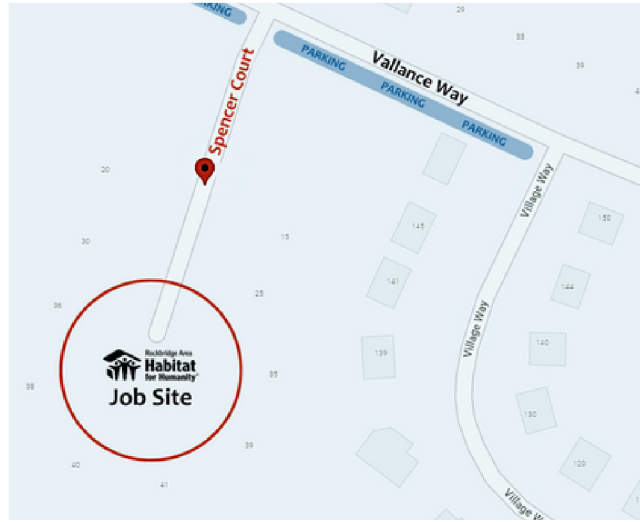

STAY HYDRATED

It's important to drink water throughout your shift. We will provide water, but feel free to bring your own!

GREENHOUSE VILLAGE MAP

To locate the Greenhouse Village job site, type “Spencer Court, Lexington VA” into your Maps app on your phone or GPS device. The job site is located in a cul de sac on Spencer Court. Look for the Habitat for Humanity sign turning off Greenhouse Road and onto Village Way.

Parking is available up to and around the cul de sac, but families often park their vehicles in these spots. Volunteers should avoid blocking driveways and are encouraged to park on Vallance Way, right before the left turn onto Spencer Court.

WANT TO COMPLETE A WAIVER IN ADVANCE?

Scan the QR code or visit us at rockbridgehabitat.org, click the **Volunteer** tab, then **Adult Waiver**.

Email questions, concerns, and waivers to office@rockbridghabitat.org.

DRESS PROPERLY

Comfortable, close-toed shoes required. Sandals are NOT permitted. Wear clothes you can get dirty!

TRY TO CARPOOL

If you're coming with a friend or group, carpool if you can! Parking is limited. Plan to park on Vallance Way.

ARRIVE ON TIME

The site supervisor will give instructions at the start of a shift. Repeat instruction disrupts and delays the build!
